End of Sale Announcement for

Alteon 5412 Platform

August, 2021

EoS Date: October 31ᵗʰ 2021

To our valued distributors and resellers:

We are proud of the evolution of our Radware products and continue to make improvements to better serve you and your customers.

As a result, Radware has decided to discontinue the sale of the remaining models in Alteon 5412 line of products (sale of the 5412 XL models was discontinued in June, 2020).

In order to allow our customers to continue their business in the most effective manner, Radware offers a migration path from 5412-based Alteon application switch to the newer D-line 5k series of appliances (5208, 5424, 5820), which provide breakthrough performance, advanced application acceleration capabilities, and on demand scalability needed to effectively serve contemporary data-center architectures, applications, and business needs.

The D-line 5k series appliances run the well-known, proven, and latest Alteon OS software.

The customer's existing product knowledge, operations procedures and scripts, integration to their data center environment, network topology considerations, and more, are fully retained when migrating to these new platforms — so that they can immediately enjoy the same renowned ease of operation and stability, while obtaining new and significant benefits.

Recommended Migration Path

The following table lists the recommended Alteon Application Switch platforms for one-to-one product migration:

EoS Platform	Recommended Upgrade Platform
Alteon 5412	Alteon D-5208/D-5424/D-5820

- Please contact your account manager for details on Alteon 5412 refresh program.

Effective from the End of Sale date (EoS) October 31th 2021, all currently available Alteon 5412 models will no longer be available for purchase from Radware (including items in Table 1 below, but not only).

The following terms apply to this End of Sale announcement (respectively with the Product Lifecycle as described in the Certainty Support Guide- https://portals.radware.com/getattachment/f4701032-4022-46d5-a268-e7c4a935aae3/)

1. Ordering and Quoting EoS Products

- You may continue to order these items until the EoS date – October 31th 2021
- Quotes for the EoS products will be valid until the EoS date

2. Hardware and Software Support

- Support and spare parts will continue to be available for three years after the EoS date
- EoS software will be available via the Archive Software Matrix on the Radware web site

3. Certainty Support

- Certainty Support will continue for three years after this EoS announcement as follows:
  - End of Sales as of October 31th 2021
  - End of Maintenance as of October 31th 2023
  - End of Support as of October 31th 2024

If you have any questions regarding these changes, please contact your Radware representative or email support@radware.com

Sincerely,
Radware Product Management
