End of Sale Announcement for

Alteon D-7612 and D-7720 Platforms

August 28, 2023

To our valued distributors and resellers:

We are proud of the evolution of our Radware products and continue to make improvements to better serve you and your customers.

As a result, Radware has decided to discontinue the sale of the Alteon D-7612 and D-7220 line of products.

In order to allow our customers to continue their business in the most effective manner, Radware offers a migration path from Alteon D-7612 and D-7220 to the Alteon D-7100 and D-7700 which provide breakthrough performance, advanced application acceleration capabilities, and on-demand scalability needed to effectively serve contemporary data-center architectures, applications, and business needs.

The customer's existing product knowledge, operations procedures and scripts, integration to their data center environment, network topology considerations, and more, are fully retained when migrating to these new platforms — so that they can immediately enjoy the same renowned ease of operation and stability while obtaining new and significant benefits.

Effective from the EoS, all currently available Alteon D-7612 and D-7220 models will no longer be available for purchase from Radware (including but not limited to items in Table 1 below).

Recommended Migration Path

The following table lists the recommended Alteon Application Switch platforms for one-to-one product migration:

EoS Platform	Recommended Upgrade Platform
Alteon D-7612 and D-7220	Alteon D-7100 and D-7700

• Please contact your account manager for details on Alteon D-7612 and D-7220 refresh program.

The following terms apply to this End of Sale announcement (respectively with the Product Lifecycle as described in the Certainty Support Guide)

1. **Hardware and Software Support**
   • Support and spare parts will continue to be available for three years after the EoS date
   • EoS software will be available via the Retired Versions option on the Radware web site Download page

2. **Certainty Support**

- Certainty Support will continue for three years after this EoS announcement as follows:
    - o End of Sales as of November 28, 2023
    - o End of Maintenance as of November 28, 2025
    - o End of Support as of November 28, 2026

- **Republic of Korea** Certainty Support will continue for three years after this EoS announcement as follows:
    - o End of Sales as of November 28, 2024
    - o End of Maintenance as of November 28, 2026
    - o End of Support as of November 28, 2027

If you have any questions regarding these changes, please contact your Radware representative or email
support@radware.com
Sincerely,

Radware Product Management
